The Board of Selectmen will be doing a site walk of the proposed elderly housing project as presented by William Evans. Applicant proposes to construct approximately 101 units of phased age restricted housing on their property in conjunction with NH Housing Finance. The applicant has requested that the Board of Selectmen open a portion of a Class VI roadway on Beacon Hill so that they can access their site.

As a legal abutter, we have included the proposed plan. Please keep in mind that the current plan is in its preliminary stages and will also require other approvals. This meeting is merely to do a site walk and listen to the project. It is the Boards intention that after the site walk, to continue the Public Hearing to November 16th at 6:30 PM at Town Hall where the Board will take public input.
