☒ New ☐ Revised

Project Year: 2022

Project Title: CWSRF Planning Loan

Total Proposed Cost: \$ 100,000

Project Description

We have applied for the CWSRF Planning Loan to prepare a plan to replace the drainage pipe from Exchange Street that empties into the Merrimack River. The exit of the pipe and several other sections have failed over the last few years and the old clay pipe needs to be replaced. We will also use some of this money to plan other MS4 compliance issues as needed. The proposed loan has up to \$75,000.00 loan forgiveness. To be eligible for the loan, the money will have to be voted on for approval at Town Meeting through a warrant article.

Is it included in the Master Plan? ☐ Yes ☒ No If Yes - Master Plan Priority: \_\_\_\_\_

<b>DESCRIPTION/REMARKS</b>
Quote provided as requested,
Trackless boom Flail mowing attachment with following features
The Boom Flail Mower has 33 heavy-duty forged steel knives and a heavy wall 6" diameter gauge roller. The overall cut width is 47". Vertical reach is 13-1/2", below-grade cut is 53", and the horizontal reach is 16" from the outside of the tire. A hydraulic break-back helps protect the mower from damage if an obstruction is struck. Counterweights are included to ensure stability when the mower is fully extended. The total weight of the Boom Flail Mower and counterweights is 1,960 pounds. Dual wheels and tires on the MT tractor further add to the stability.
Respectfully submitted by,
Sean Lacey
