

Town of Pembroke NH

Department of Public Works

introduces ...

Curbside Collection Made Easy

Automated collection utilizing a special, dual-compartment truck and 2 carts for each household (1 for trash and 1 for recyclables) improves ...

Order before
January 31st and
Save!!!

- ◆ **Efficiency**
- ◆ **Appearance** of streets on trash day
- ◆ **Safety** of workers, and
- ◆ **YOU** will be part of this innovation in solid waste

So, check out these carts and then go to Town Hall to buy your own carts – discounts apply until end of January 2010. The 2 carts will be delivered to your home in the Spring

Carts

- ◆ Easy to use – maneuverable, can be stored outside
- ◆ Durable, attractive,
- ◆ Comfortable handle, large wheels & attached cover, “granite grey” bodies, with a black cover for trash carts and a green cover for the recyclables

Single Stream Recycling:

SO EASY!
All your recyclables
will go in one
container!

- ◆ Easy – put all acceptable recyclables together, loose, in the green covered cart
- ◆ Convenient – weekly pickup at the same time as trash
- ◆ Cost-effective- helps Pembroke save \$ on costly trash disposal
