If the property owner is not the applicant, the property owner MUST provide a notarized letter (original) authorizing the applicant to file an application.

You are applying to develop your property in a way that is prohibited by the requirements in the Zoning Ordinance. Please state the Article _____ and Section _____ of the Zoning Ordinance from which you are requesting a variance.

Please give a detailed description of your proposal below.

Has this property received a Special Exception or Variance in the past? _____

If "YES", please provide copies of past Zoning Board of Adjustment Notices of Decision.

Please provide copies of the property tax card, plot plan, and any other information that you feel would be helpful for the Zoning Board to have when reviewing the application.

Please describe how the requested variance would comply with the following criteria:

1. The variance would not be contrary to the public interest;

2. The sprit of the ordinance is observed;

3. Substantial justice is done;

4 The values of surrounding properties are not diminished; and

5. Literal enforcement of the provisions of the ordinance would result in an unnecessary hardship.

(A) For purposes of this subparagraph, "unnecessary hardship" means that, owing to special conditions of the property that distinguish it from other properties in the area:

(i) No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property; and

(ii) The proposed use is a reasonable one.

(B) If the criteria in subparagraph (A) are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to make a reasonable use of it.
