

Energy Committee Meeting of 1/20/15

Present: Dan Crean, Pentti Aalto, Bob Samson, Jay Smith, Town Administrator David Jodoin. and Selectman Dave Sheldon.

Meeting called to order at 6:30 PM.

Motion by Bob Samson, seconded by Dan Crean to accept minutes of 12/9/14. Vote unanimous.

Dan Crean review the proposal from Independent Electrical Supply (IES) for the Village area. He is reaching out to Angela Gagnon of IES to get clarification of costs and what assumptions were used to arrive at the proposed cost of approximately \$9.900. Does this figure include metering and any additional costs not in the proposal?

Angela was supposed to meet with the EC, but had an emergency, and will reschedule.

The draft annual report for the EC was presented and accepted by the Energy Committee.

Dan Crean reported that the Sewer Commission is exploring the use of solar energy to offset increased operating costs.

Next meeting TBD.

Meeting adjourned 6:47 PM

Respectfully submitted,

Robert G Samson
