### Action Item Review

1. AV system at Pembroke Academy tested.
2. Dry run for October 5 Community Power public meeting performed.
3. Community Power slideset updated.
4. Reminder of October 5 public meeting shared with all Energy Committee survey respondents.
5. The October 5, 2022 Community Power public meeting was successfully conducted with 14 participants, not including the Energy Committee.
6. Social media invitations posted for the October 1 and November 1 public meetings.

### LES Conference

1. A brief discussion covered some of the main points of the Local Energy Solutions conference.
2. There is a great need for electricians to achieve the electrification goals implicit in expected growth of electricity use and demand in NH. Richard suggests that this topic may be a very good energy / career topic for a short workshop at Pembroke Academy.
3. There is a lot of potential for individual tax credits for renewable residential electricity generation, but the various vendors who could install systems do not fully understand the new law yet.

### Community Power Public Meetings

1. The remainder of the meeting was spent reviewing and revising the slideset for the November 1 Community Power public meeting.

### Action Item Summary

1. Matt to write update to Richard Bean about Energy Committee activities.
2. Richard Wengenroth to follow up with Richard Bean and Rick Fredricson about their preferences for staying in touch with the Energy Committee.
3. Matt send social media invitation for the November 1 Community Power public meeting.

Next meeting is November 29 at 18:30 in the Pembroke Town Hall.
