MINOR SITE PLAN REVIEW CHECKLIST

This checklist has been included as part of the Board's operating rules to assist the applicant. However, the applicant is responsible for reviewing the Town's Site Plan Review Regulations and Zoning Ordinance to ensure that all required information is submitted or addressed. At a minimum, the application must contain all of the information described in this section either on the site plan or by supplemental typewritten sheets dated and signed by the applicant. The checklist must be completed and submitted as part of the application. Issues not included on the checklist may be raised during the review process. Waivers to any of these requirements must be requested in writing with an explanation of why the waiver should be granted.

Layout of the site plan will include dimensions, will be to scale, will include zoning setbacks and buffers, and will include wetlands and water bodies. The site plan shall be of sufficient size and detail to clearly show the proposed development and/or changes. The plan will be registered if it contains metes and bounds, but this may not be required of certain minor site plans. Check with the Planning Department or Planning Board prior to submitting the Site Plan Review application to determine the necessary plan set up.
