B. Concerts - Sponsors

Rose has talked to Rob Azevedo and he is willing to coordinate concerts this year. We will need sponsors - that will determine how many concerts we will have. Rose handed out sponsor sheets to each member for their help in securing donations.

C. Tennis Courts - issues

Two courts are non-playable – cracks have reappeared. Rose received a quote from Vermont Tennis to repair courts. She has also contacted two other companies to provide quotes.

D. Fertilization Company -

We have hired Dan Doyle (Mosquito & Turf Management) to take over fertilization, grub control, seeding, weed control. Dan will try to work with figures we have in the budget.

E. Fields/ Park

Upkeep to playground completed – Jade Stone

Softball field – treated for grubs

Ant treatment Contract - two treatments throughout the summer for Pavilion, rec building

F. Summer Rec program-

Rose talked with Josh and we will be able to get Three Rivers on days for rain or threat of storms. He would like us to start on July 6. Program will run from 9 – 3 with everyone out of building by 3:30 so cleaning can start. We will pay for extra hour we will be there and then number of hours to clean and disinfectant all areas used. We will have early arrival but no after care this year. Price will increase this year to pay for cleaning supplies and custodian charges. Rose will work with Sarah and David to finalize plans. Josh is to get back to Rose to see if we have to be out of building by August 13 or August 20th.
