C. Yoga Lessons - R. Delois started another session at the safety center.
(May 2 – June 6.)

D. Dugouts/Stage Roof Update – Commission met with Lance H. from SBH Builders. Lance provided necessary paperwork and a sketch of dugouts he will be replacing. (they will be similar to what was there) Being a small business he would like a deposit of materials and labor. Rick will bring up at the next selectman's meeting for approval.

E. Playground – New toddler swings were installed along with new chains and mats by Jade Stone. Also removed root trip hazards by benches.

F. CIP 5 year plan - Rose gave out worksheets for members to look out for 5 year planning at the June meeting.

NEW BUSINESS

A. Use of Park

Rose is waiting to hear from CoEd league about a possible weekend tournament.

- B. Clearing of brush area – This area is between middle and point field. Rose met with Jade Stone and VJ about the area. Opening this area up would give a better site line for police. VJ can remove all protruding metal but the area is too tight for his machine where Jade Stone has a walk behind brush cutter. Once cleared VJ has fill he can use for that area. Rick wants Rose to met again with VJ to go over the area.
- C. Damages from vandalism - Rose reported to police the cutting of lock to flood gate and damage to the gate. Also damages to bathrooms during a little league game. Both were reported to police. DPW will file report to insurance for bathroom damage.
- D. Concerts - Rob has completed the concerts for the summer. Members will try to get concert sponsors (\$100) for the different performers. Rob will get information to Rose so she can send to the printer for posters and flyers.
- E. JP Pest - Two treatments will be \$322 this year. One spring treatment and one before Old Home Day
- F. BOS Updates - none
