B. Leagues -

Basketball - Rose reported that the season went well (regular rec and travel teams). There were issues with people getting their background checks in on time. We will work with the league to come up with a better plan. Rose filled out paperwork for T. Caron's stipend and complimented him on another successful year.

Little League/ Soccer/Softball - Rose sent letters out to baseball and softball containing policies and users fees. The fees are the same as last year. Little League is going to go to the selectmen and request that their fee gets waived. They are willing to cut major and point during their season - possibly add in field treatments.

Rose contacted soccer about getting porta-potty at the point for all the playing seasons, with all of us sharing the cost. Soccer will get back to Rose with the monthly cost.

C. Playground toy/handicap swing

Rose will contact Jade Stone Landscape to install the new spinner cup, address the horizontal bars (too high), see if any other issues, and add sand if needed.

Karyn will look into purchasing a handicap swing.

D. Yoga Classes - Tuesdays 5/12 – 6/16 & Wednesdays 5/13 – 6/17

We talked about adding an extra week (7 weeks), increasing weekly fee \$5 (\$45 - \$50)

Ashley is working on the dates for the camps and will get back to Rose or Karyn. Kayla Wertz was hired for arts and crafts. She is a sophomore at SNHU and had previously worked at our summer camp as a counselor.

Maddy Jacquith -(18 yrs old) was hired to help out with the before and after school care. Maddy has worked at Crazy Kids.

Rose was also contacted by E. Picott. She is a mother who is an aide at the elementary school. She is interested in working at the summer camp.

Rose will contact her to see if something can be worked out.

Rose and Kayrn will work with Ashley to finalize dates and sign ups.

D. Summer Basketball Clinic –

Rose handed out information from T. Caron. He wants to have a summer basketball camp that would be sponsored by recreation. After a discussion it was decided that recreation commission does not want to get into the camp business. Funds raised by a particular group would have to go into the revolving fund to benefit all – not a particular group.

E. 2015 Summer Concerts

Chris was not in attendance - HOLD

F. ARC - clearing of river bank

Rose presented information from ARC. They have hired Jungle Jim's to clear their land at a reduced price (work is being done now). They wanted to now if we wanted to "piggy-back" on their end while the equipment is there. They would have JJ start at the boat launch and work their way up to where they had ended last year. The price will increase when the snow clears.

Doc made a motion to give \$1,000 of the Continental Donation Money to Jungle Jim's to clear river bank (starting at the point – working north), adhering to the Shoreline Protection Act and complying with all shore regulations pertaining to the restoration of views. Doc made a motion to use \$1,000 for the clearing of trees. Karyn seconded.

Motion passed
