5. 2015 Goals and Concerns

Poirier and Plourde put on back burner.

Might want to explore a way to have people give us land in their wills. Need to collect information, see which is relevant, simplify and find a way to reach potential donors.

We should be looking for pieces of land that might go up for sale cheaply.

Need to make sure we get all the info from the NRI into the town's database.

Trail maintenance? SCA? Brush Hog?

ACTION ITEM: Central NH will print us a map would like one with town boundaries, major roads and lot lines. Ayn will contact Mike Tardif to do that.

6. Potential Acquisitions Board of Selectmen might allow us to have some pieces town owned land if we pay for the legal expenses accrued in acquiring them. Most of them taken for back taxes.

ACTION ITEM: Ammy will call David Jodoin to get on BOS meeting to discuss that.
