Pembroke Recreation Meeting 10/14/2020

Attendance Sharon Morris, Steve Fowler, Sam Barker.
Rose Galligan, Dick Bean
Residents – Matt Petersons representing Little League,
Ryan Pelissier, Brendan Fish

OLD BUSINESS

A. Approval of Minutes (Sept) / financials

Meeting was called to order at 5:00pm.

Sharon made a motion to approve minutes for 8/19/2020

Steve seconded, motion passed.

B. Leagues -

Soccer – Sam reported that soccer will be ending season at the end of the month.

Little League – Rose asked Matt if there was any new information on the light pole. Matt has not heard anything.

Rose answered questions about water meter and CIP that was brought up at the last meeting she could not attend. The water meter was replaced in the LL building because it was not working. This is standard procedure by the water department. Rose was not aware that the meter was replaced as she just let the men in so there was no way she could let Matt know about the replacement.

Pertaining to CIP Rose told Matt that every year she sends the league's president a letter that state "if any suggested plans for field improvements and/or structures should be made in writing to recreation commission to be reviewed. Also, that the recreation's budget is due in August and any proposals should be presented to the commission that could affect their budget. It is the recreation commission to review proposals and present to CIP.
