

TRI-TOWN Emergency Medical Service

Monthly Director's Report

for the Month of

June 2015

Municipal Ambulance Service

for the Towns of

Pembroke & Allenstown

Prepared By: *Christopher Gamache, Director*

July 5, 2015

PREFACE

Tri-Town Emergency Medical Service was started on January 1, 2013 by an Inter-Municipal Agreement between the towns of Allentown and Pembroke, New Hampshire. The service is managed by the Service Director and Paramedic, Christopher Gamache with oversight by the Tri-Town EMS Board of Directors that is comprised of the Town Administrator and Fire Chief from both towns as well as a member from each community and a Tri-Town EMS employee representative. Tri-Town EMS' primary service area is the two towns, but will provides mutual aid to the Towns of Hooksett, Deerfield, Epsom, Chichester, Bow, the City of Concord, and where ever and whenever requested to do so. Tri-Town EMS is proud to be one of a few ambulance services within the Capital Area that provides its service area with 24/7 paramedic coverage. The service is making great strides to provide those we serve with the highest quality medical care coupled with up-to-date EMS equipment. Our staff is ready and available around the clock to answer call for help.

REPORT INTRODUCTION

This report was generated on July 5, 2015 by the Service's Director, Christopher Gamache, and represents the EMS activity of the Tri-Town EMS, current projects, operational concerns and performance projections. The content of this report shall be presented at the Monthly Meeting of the Joint Board on Wednesday July 8, 2015. This document contains data that was derived from the New Hampshire Department of Safety, Bureau of Emergency Medical Service patient care reporting web site, www.nhtemsis.org, where Tri-Town EMS documents all EMS related calls that are dispatched by Concord Fire Alarm. Additionally, this document contains data from the agency's billing contractor, ComStar.

Tri-Town EMS has a Medical Resource Hospital Agreement (MRHA) with Concord Hospital. This agreement entitles the agency to function under the medical oversight of the hospital's Medical Director, Dr. David Hirsh. As part of the MRHA, Tri-Town EMS has a Control Substance agreement with Concord Hospital, these two agreements afford TTEMS the ability to have Paramedic level medications and Controlled Substances.

SECTION 3: TRI-TOWN EMS PERSONNEL:

During the month of June 2015, the service focused efforts on filling the vacant full time position and recruiting new per diems. During the month of June, there were not changes to the service's roster. The current staffing of Tri-Town EMS:

• Full Time Employees2
• Part Time Employees6
• Per Diem Employees17
• TOTAL WORK FORCE25

SECTION 4: EQUIPMENT

- The finger readers on the ToughPad tablets are not operational as of yet. The tablets need software that was not provided with devices by Panasonic. The IT vendor is working on this issue.
- Comcast installed an Internet Modem/Router for Tri-Town's Office Space. This device along with the IT vendor re-configuring the service's printers, has resolved a good portion of the immediate IT issues the service has. The service still needs Comcast to run a dedicated line to the office spaces to finish the project.

SECTION 5: COORESPONDENCE WITH OTHER HEALTHCARE AGENGIES

Beyond the normal email correspondence between services and Concord Hospital, there were no other correspondence with other Healthcare Agencies during the month of June.

SECTION 6: REVENUE AND EXPENDITURES

Revenues: Ambulance Billing: \$26,931.33 Legal Document Request: \$25.00

Total: \$26,956.33

Expenses:

- The service paid \$896.27 for supplies and oxygen for the month of June.
- OVERTIME: 69 hours, \$2,036.26

SECTION 7: DIRECTOR RECOMMENDATIONS/COMMENTS

- Tri-Town EMS is currently working on the 2016 budget.
- Scheduling was tough for June and into July from being down one (1) full time position and with people taking time away from the service for vacation and other personal reasons.
- Tri-Town EMS is currently in the process of hiring an internal candidate to fill the vacant full time position. Ideally the offer will be made during the first half of July.

SECTION 8: VEHICLE MAINTENANCE

- Ambulance 2: MILEAGE: 75,452
- Ambulance 3: MILEAGE: 54,184
